Ontario-Montclair School District (OMSD) students will have their artwork on display at the Chino Basin Water Conservation District's (CBWCD) Annual Open House and Student Showcase on Tuesday, March 12 from 5-7 pm. The event is free to the public and will include kid-friendly activities, free giveaways, a tour of the garden, meeting Sam the Tortoise, and voting for Visual Art Poster Contest.

Location: **Chino Basin Water Conservation District:

Montclair, CA 91763**

Under the theme, "Protect and Conserve the Chino Groundwater Basin", OMSD submitted 964 student entries.

The community can see the finalists' posters on display and participate in selecting the winners in person at the event or online. Student winners will receive \$100 and their teachers will be awarded \$250 worth of educational supplies for the classroom.

"OMSD is proud to partner with the Chino Basin Water Conservation District. It will be exciting to see all of the creative and wonderful student artwork on display. On behalf of the Board of Trustees, I thank CBWCD for their generosity and continued partnership with OMSD," stated Board President Elvia M. Rivas.
