Ontario-Montclair School District's El Camino Elementary School and Sultana Sports & Science Academy Receive the California Civic Learning Award of Merit

El Camino Elementary School and Sultana Sports & Science Academy, in the Ontario-Montclair School District, have earned the Civic Learning Award of Merit. This prestigious award is provided by the Judicial Council of California and co-sponsored by the Chief Justice and State Superintendent of Public Instruction Tony Thurmond. It celebrates successful civic education efforts, and identifies replicable models. The Judicial Council's selection committee was very impressed with both school's commitment to providing their students with a high quality civic education.

On Monday, April 15, 2019, at 8:30 am in the Sultana Academy's Multi-Purpose Room, Presiding Judge Vander Feer will be presenting the California Civic Learning Award of Merit to Sultana Sports & Science Academy. Joining the presentation will be Court Executive Officer, Nancy Eberhard of the San Bernardino County Superior Court. This is the fourth year Sultana Elementary has received this award.

Sultana Academy proudly serves preschool through 6th grade students, and is located 1845 South Sultana Avenue, Ontario.

El Camino Elementary School will host an assembly in August where they will receive their award.
