Elderberry Elementary School Teacher Randi Muehlen recognized as a Teacher of the Year for San Bernardino County

Mrs. Randi Muehlen, a first-grade teacher at Elderberry Elementary School, in the Ontario-Montclair School District has been named one of three teachers who will be honored and recognized by the San Bernardino County Board of Education as "Teacher of the Year".

There are more than 18,000 teachers working in public schools throughout San Bernardino County. This recognition places Mrs. Muehlen amongst the State's best teachers. Her application now moves forward to compete in the California Teacher of the Year event for 2019-2020.

Randi Muehlen has taught at Elderberry Elementary School in the Ontario-Montclair School District for the past nine years, and overall, she has 12 years of experience in teaching in the classroom. She said she not only wants to see development and growth for her students academically, but also for them emotionally and socially.

Elderberry Elementary School Principal Alicia Brewer stated, "Randi is not only an outstanding educator in the classroom but also is highly visible throughout the school community. She is an asset to our school and is known districtwide for her strong teaching and effective classroom management. Randi is truly an Elderberry Champion."

"The Board of Trustees is extremely proud of Elderberry Teacher Randi Muehlen. Randi is an exemplary teacher and deserves this recognition at the highest level of our state education system. Congratulations to Ms. Muehlen on such an incredible accomplishment," stated Board President Elvia M. Rivas.
