On October 30, 2019, Assemblymember Freddie Rodriguez donated 160 new backpacks filled with school supplies to students at Euclid Elementary School. Principal Monica Ayala, along with Euclid parents, staff members and District representatives accepted the generous donation. Student Jo Ybarra, 6th grade Jag Squad president, received the first backpack and thanked Assemblymember Rodriguez on behalf of Euclid students.

"I am excited for our students to receive these backpacks filled with the supplies they need to be successful, and I know our families appreciate the generous contribution," stated Euclid Principal Monica Ayala.

Euclid Elementary School is a Dual Immersion school that serves TK-6th grade students. Additionally, Euclid Elementary School is an award-winning PBIS (Positive Behavior Interventions and Supports) school with established behavioral expectations for all students and staff members. Yet another distinctive Euclid Elementary students proudly engage is Project-Based Learning (PBL). Euclid Scholars learn how to become active, contributing members of their school community.

"OMSD is proud to be a continual partner with Assemblymember Freddie Rodriguez. These remarkable partnerships truly make a positive impact on our children, families, and community, and for that we are grateful", said OMSD Board President Elvia M. Rivas.
