Ramona Elementary School Earns California Distinguished School Status

The Ontario-Montclair School District is proud to announce that Ramona Elementary School is being honored under the 2020 California Distinguished Schools Awards Program. This program recognizes outstanding education programs and practices. Schools are awarded for closing the achievement gap and for achieving exceptional student performance.

Ramona Elementary School represents an example of not just excellent teaching, learning and collaboration, but also a highly successful school climate where students and families are welcomed members of the school community.

Board President Elvia M. Rivas stated, "On behalf of the Board of Trustees, congratulations to the teachers, administrators and staff, and especially to the hard working students and families who support this phenomenal school."

Ramona Elementary School Principal Ricky Ramirez shared, "We are extremely honored and proud to have received this award as a California Distinguished School. This distinction is truly the result of amazing parents, students, and staff and their commitment to excellence on a daily basis."

Ramona Elementary School is one of only 19 elementary schools in San Bernardino County to receive this recognition.

Ramona School will be honored in February in Anaheim, California.

"Our Community, Our Children, Our Commitment, Our Future"
