April 2021

## *Message from Mr. Ramirez*

We are now on track to welcome all students that selected in-person learning the week of Monday, April 19th. Those students in group A will attend Monday and Tuesday from 8:00-10:30. Those students in group B will attend Wednesday and Thursday from 8:00-10:30. All online students will begin their instruction in the afternoon according to their child's teacher's schedule.

During the week of Monday April 12th to the 16th, our teachers will be on campus preparing for students to return to the classroom. As a result, students will check in with their teacher for 15 minutes each day that week and complete all assignments independently.

Thank you for your continued patience and perseverance. I'm really looking forward to seeing our students back the week of April 19th.

Sincerely,

Mr. Ramirez  
Principal

## *In-Person Learning Updates*

Please look for a video that will be sent out next week with details on what in-person instruction will look like. You'll have a chance to take a peek at a classroom and to see what precautions we are taking to ensure your child's safety.

## *Meal Distribution*

We will continue to pass out materials and meals on Tuesdays and Fridays of each week. HOWEVER, once students return for in-person instruction on Monday, April 19th, our schedule will change to 11:00-12:00 every day of the week.

## Administrative Professional's Day

Please join me in recognizing and honoring our wonderful office staff on Wednesday, April 21st. They work hard each day to support teachers, staff, students, and families. Thank you to our hard working staff!
