## *Message from Mr. Ramirez*

Ramona Families,

Our return to in-person learning has been an exciting time! It was wonderful to see students sitting at a desk, using paper/pencil, and talking to one another and to their teacher live!! It has certainly been a very long year, but I am grateful that for the first time in over a year we had a handful of students in a physical classroom.

Change can be a good thing, but it can also be difficult. For me, change has always been a challenge. With that in mind, this will be my last year as principal at Ramona. Effective July 1st, I will be the new Director of Curriculum and Instruction at the district office. This is a position that our superintendent, Dr. Hammond, offered and appointed me to. It was an extremely difficult decision, and after much prayer and consideration, this was an opportunity with new possibilities.

I am going to miss our school, and I'm going to miss all of you. The last 8 years have been the most amazing time for me, and I will always be grateful for this community that made me feel like family. Please take a moment to view this video with additional information from me.

Thank you for your support the last 8 years. Thank you for trusting me. Thank you for the love and care you have shown. It has been an honor and a privilege serving as your principal.

With Gratitude,

Mr. Ramirez  
Principal

## Technology

Please look for a schedule as to when you can return your child's iPad or Chromebook. We will be collecting all materials and technology on Friday, May 21st with additional make-up dates the following week.

## Last Day of School

Friday, May 21st will be students' last day of school. Students will check in online with their teacher in the morning for the final time this year.

## Staff Appreciation Week

I don't have to tell you that we have the very best classified and certificated staff anywhere! During the week of May 3-7 we are recognizing our staff for their dedication, love, and hard work. The amazing work that they do each day does not go unnoticed, and we are grateful for each and every one of them!

Tuesday, May 4th is Teacher Appreciation Day. If you would like to send a note letting your child's teacher know how much he/she is appreciated, please do that on Tuesday. Let's show our teachers how much we love them!
